21 }
22
23
```

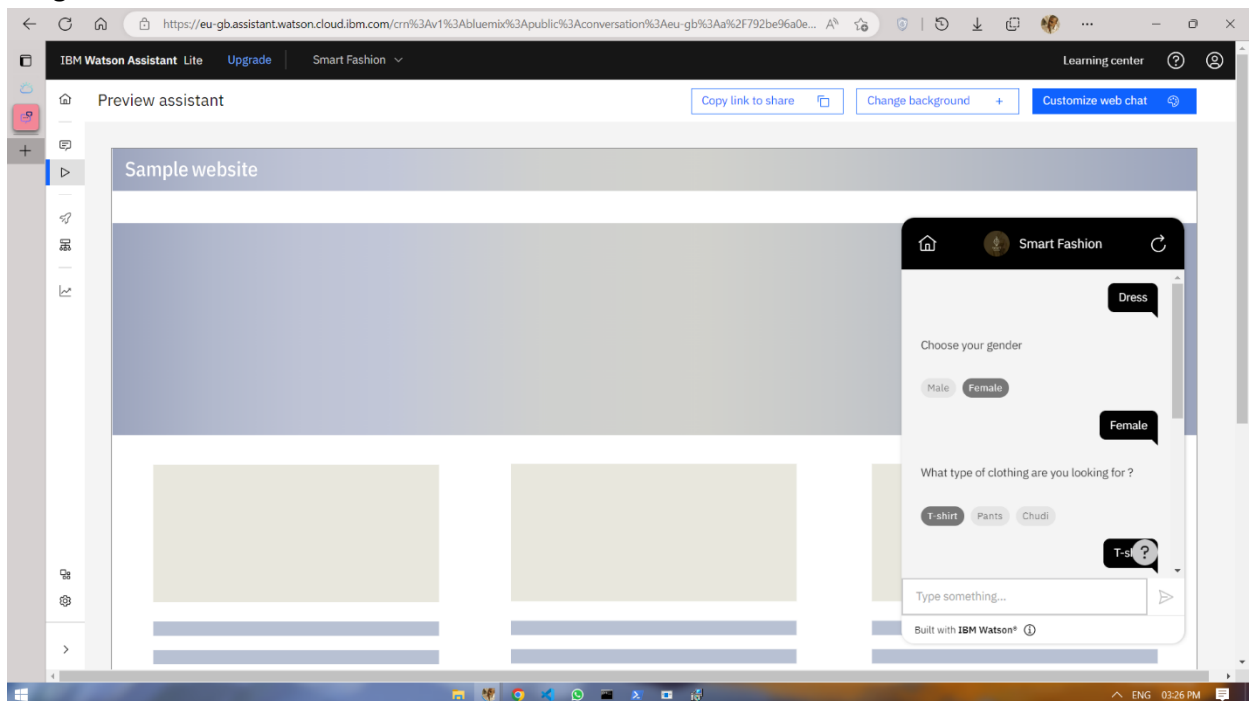

Output:-

4. Design a Chabot using IBM Watson assistant for hospital. Ex: User comes with query to know the branches for that hospital in your city. Submit the web URL of that chat bot as an assignment.

Url :- [chatbot link](#) <- click

Image:-

5. Create Watson assistant service with 10 steps and use 3 conditions in it. Load that script in HTML page

The screenshot displays the IBM Watson Assistant interface for a service named "Smart Fashion". The interface is divided into two main panels: a flow editor on the left and a preview/conditions panel on the right.

Flow Editor (Left Panel):

- Step 1:** A "Dress" action with a "Continue to next step" instruction. It includes a "Female" button and a "Male" button.
- Step 2:** A "What type of clothing are you searching for?" action. It includes a "T-Shirt" button and a "Pants" button. It has a "Continue to next step" instruction.
- Step 3:** A "Guess this suits you perfectly!!!" action. It includes a "No" button and a "Yes" button. It has a "Continue to next step" instruction.
- Step 4:** A "Guess this suits you perfectly!!!" action. It includes a "No" button and a "Yes" button. It has a "Continue to next step" instruction.
- Step 5:** A "Are you sure want to check-out?" action. It includes a "No" button and a "Yes" button.

Conditions Panel (Right Panel):

- Step 3 is taken with conditions:** A dropdown menu showing "with conditions".
- Conditions:** A list of conditions for Step 3. It shows "2. What type of cl... is T-Shirt" and "1. Choose your ge... is Male".
- Assistant says:** A text input field containing "Mens T-Shirt" and "Guess this suits you perfectly!!!".
- Buttons:** "New condition group +", "Preview", and "Add condition +".

The screenshot shows a web browser displaying a page titled "Welcome To Smart Fashion". The page features a grid of six images: a person in a red shirt and jeans, a person in a black t-shirt and jeans, a person in a yellow dress, a person in a white t-shirt, and a pair of white shoes.

Chatbot Interface (Right Panel):

- Greeting:** "Hi! This is Smart Fashion Recommender. How can I help you ?"
- Buttons:** "Dress" and "Complements".
- Input Field:** A text input field with the placeholder "Type something...".
- Footer:** "Built with IBM Watson®".
